

The American Journal of Public Health

Authorship Criteria and Responsibility, Financial Disclosure, Copyright Transfer, and Acknowledgement and Informed Consent Statements

Each author (incl. corresponding author) must sign (1) the statement on authorship criteria and responsibility; (2) the statement on financial disclosure; and (3) either the statement of copyright transfer or the statement of federal employment. The corresponding author must sign (4) the acknowledgement and informed consent statement.

If necessary, copy and distribute or fax this form to your co-authors for their signatures. Signatures on one or multiple forms may be mailed to AJPH, 800 I St., NW, Washington, DC 20001-3710 or emailed to ajph.submissions@apha.org.

Corresponding Author's Name:

Manuscript Number AJPH-

Authorship Criteria and Responsibility. All authors certify that they meet the following criteria:

- Sufficient participation in the work to take public responsibility for the content.
- (1) Substantial contribution to the conception and design or analysis and interpretation of data, (2) drafting or revision of content, and (3) approval of the final version to be published.
- No prior publication of this manuscript or one with substantially similar content, except as described in the submission letter or here as an attachment.
- Willingness to provide data on which the manuscript is based for examination by the editors or their assignees.

Signature	Printed Name	Date Signed
-----------	--------------	-------------

Financial Disclosure. All authors certify disclosure of the following:

- All affiliations with or financial involvement with any organization or entity with a financial interest in the subject matter or materials discussed in the manuscript (e.g., consultancies, honoraria, stock ownership or options, expert testimony, grants, or patents received or pending, royalties) are disclosed in the submission letter or here as an attachment.
- All financial and material support for this work is clearly identified in the manuscript acknowledgment section.

Signature	Printed Name	Date Signed
-----------	--------------	-------------

Copyright Transfer. All authors must sign the following statement of copyright transfer or statement of federal employment below:

- In consideration of the action of the APHA in reviewing and editing this submission, the authors undersigned hereby transfer, assign, or otherwise convey all copyright ownership, including any and all rights incidental thereto, exclusively to the APHA, in the event that such work is published by the APHA.

Signature	Printed Name	Date Signed
-----------	--------------	-------------

Federal Employment. I was an employee of the US federal government when this work was conducted and prepared for publication; therefore, it is not protected by the Copyright Act, and copyright ownership cannot be transferred.

Signature	Printed Name	Date Signed

Acknowledgment and Informed Consent. The corresponding author here certifies the following:

- All persons who have made substantial contributions to the work reported in this manuscript (e.g., data collection, writing, or editing) but who do not fulfill the authorship criteria are named in the acknowledgment section of the manuscript.
- Author has obtained (and will keep on file) all relevant consents for previously copyrighted photos/images (including photo subjects' consents) that will appear in the work.
- Absence of an acknowledgment section implies no other persons have made substantial contributions to this manuscript.
- All individuals specifically named in the acknowledgment section have provided written permission to be named.
- If human subjects are involved, approval by the institutional review board and the informed consent of participants has been obtained and reported in the acknowledgment section.
- Author acknowledges that APHA, as the publisher, has the right to make publication decisions regarding the work, including, without limitation, location of the work, timing of publication of the work, annotations and comments about the work, and the right to solicit opinions from others who may be interested in the subject matter of and opinions contained in the work.
